As regards the meaning of
expenditure under '30. Grants for
Public Improvements" please see
Mr Thompkinson's Circular of May 1923
& Para 2 of this Circular. The Grants
were treated as outright Grant to
the Local Bodies and the amount not
spent in a year went to the Sinking
Fund. Since 1923, the amounts
not utilised in accordance with
the procedure formerly laid down
could not be made available to the
Bd for the next year. It is this procedure
that is now required to be changed.

Sir,

Adverting to this office letter No. L.B. 555/24-25 of the 11th August 1925 pointing out the practical difficulty experienced by the Board on account of the inconvenient procedure laid down by the Comptroller in his circular of 1923 for the operation of the grant sanctioned under 30 "Public Improvements", I have the honour to state that as contemplated in paras 5 of Government Order No. L. 3222-31/L.B. 48-25-9 of the 2nd November 1925, the Comptroller's circular under advertance has not so far been amended to remove the inconveniences fully explained in this office letter under reference.

2. The system introduced by the Comptroller has given room for a good deal of avoidable delay and correspondence at the end of each month and the amount advanced by the Board against the grants sanctioned for improvement works remains unadjusted and consequently the accounts get confused and irreconcilable after the lapse of a certain period; further it entails duplication of accounts.

As a result of this an amount of Rs. 5128-14-0 advanced at the fag end of June last remains still unadjusted.

Sir,

With reference to your letter No. L. 6603 dated 26-4-1926 in regard to the procedure for the operation of the grant sanctioned under " 30. Public Improvements " , I have the honour to state that the difficulty experienced last year in the adjustment of the grant will repeat itself during the current year also unless the Comptroller's circular is modified or relaxed. To obviate complications and difficulties on this behalf I request that until the new village Panchayet and District Board Bills are passed into law, the Comptroller may be advised to place the entire allotment sanctioned under - " 30. grants for Public Improvements at the disposal of the Board of course on the understanding that any amount which remains unexpended at the end of a year does not accumalate for its being utilised during the suceeding year. If this is not accepted time about for ten days after the close of the official year be extended for effecting the final adjustment of bills in view of the fact that payments cannot be denied in respect of the bills received on the last day of the year i.e., 30th June. These - alternatives were already suggested in this office letter No. 555/24-25 L.B. dated 11-8-1925 and sanctioned to either of them

To

Secretary to the Government of Mysore,
Local and Legislative Department,
B a n g a l o r e.

Sir,

With reference to letter No. Nil dated 23rd May 1926 addressed to you by the President, District Board, Kadur District, (copy of which is received in this office with No.L.B.539/25-26 dated 25th May 1926) in the matter of transferring the entire allotment sanctioned under "30 Grants for Public Improvements, to the credit of the District Board, I have the honor to state that the Presidents of other Local Boards have been adopting the procedure prescribed in this office circular No. 37 dated 21st July 1923 and drawing the Government Grant periodically after actual payment and that it is not understood why the same procedure should not be followed by the President, District Board, Kadur District. Kind reference is also invited to this office reply No. 490A. dated 11th September 1925 to the un-official file No. 396 dated 7th September 1925, in the same matter. The other alternative suggested by the President (extension of time for effecting adjustment) is not also feasible for obvious reasons. The President may be instructed to arrange for prompt payment of bills so that they may be recouped in time before the close of the official year.

I have the honor to be,
Sir,
Your most obedient servant,

T. Satyaraj Chetty
Comptroller.

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read— Letter No. LB 5398 25-5-26 from the Pvt. Dy. that the third alternative
suggested is the best.
